

Important information for your stay at a glance - 2025

Location

Our hotel complex consists of several buildings and is located away from traffic in Prinzbach - a side valley of the Kinzig valley with just under 400 inhabitants - surrounded by meadows and forests. Peace and relaxation are guaranteed here.

There are no public transport connections in Prinzbach. The nearest train station in Biberach (Baden) is 5 km away. We will be happy to pick you up free of charge from the train station in Biberach on the day of arrival and bring you back on the day of departure. We kindly ask you to register the shuttle service with our hotel in good time. Thank you very much.

Hotel & Facilities

Our hotel complex consists of three buildings. The main building “Badischer Hof” and the adjoining guest houses “Jägerhof” and “Wiesengrund”. On our property in idyllic Prinzbach, you will find a total of 90 beds, an indoor pool with integrated whirlpool, neck wave and counter-current system, an outdoor pool, a sauna area with bio and Finnish sauna, steam bath and infrared cabin, a fitness room, a relaxation room and our wellness oasis - the “KOsmetik-SPA-WELLness”.

Main building / Badischer Hof main building

The dining room is located in the Badischer Hof main building, where you can have breakfast in the morning and enjoy our 5-course menu in the evening if you opt for half board.

Guest houses “Wiesengrund” & “Jägerhof”

The wellness area with indoor pool, sauna, infrared cabin and steam bath is located in the “Wiesengrund” guest house. This house is adjacent to the “Jägerhof” guest house and is connected to it by a corridor. In the “Jägerhof” you will find our fitness room, the relaxation room and the “KO-SPA-WELL” wellness oasis. To get from the guest houses to the main building, you have to walk a short distance of approx. 50 meters across the inner courtyard.

Wellness & Sauna

Our heated outdoor pool (25°) is usually open from June to the end of September, depending on temperatures. Our indoor pool is open all year round from 07:00 to 19:30 free of charge. The water temperature of the indoor pool is usually a constant 29° degrees. We have a bio-sauna (60°) and a Finnish sauna (90°), both of which are open daily from 2.00 pm to 7.00 pm. All other attractions such as the steam bath and infrared cabin are available during regular opening hours.

The entire sauna area is a textile-free zone. Only guests aged 14 and over have access. Please also ensure that you do not enter the wellness area in street clothes.

Cosmetics & massages

Our wellness oasis “KOsmetik-SPA-WELLness” is located in the guest house “Jägerhof” and is open for you from Tuesday to Friday from 2.00 pm - 7.00 pm and on Saturdays from 10.00 am - 7.00 pm. Our massage and cosmetics department is usually closed on Sundays and Mondays.

As our long-standing spa employee is no longer able to work for us due to an accident, we are currently actively looking for new staff for our spa department. As a result, we are unfortunately only able to offer massages and beauty treatments to a very limited extent at the moment and only subject to availability. We ask for your understanding for our situation. Thank you very much in advance.

Relaxation room

The “Bergwerkstollen” relaxation room is also located in the “Jägerhof” guest house and is exclusively available to our wellness and sauna guests for rest and relaxation. Please understand that only adults have access here. The mine tunnel is open daily from 08:00 to 19:30.

Fitness room

Our fitness room in the basement of the “Jägerhof” guest house is also only available to adults. Children up to the age of 12 have no access. Young people between the ages of 13 and 18 must be accompanied by an adult. Please note the usage information on site. The fitness room is open from 08:00 to 20:00.

Bathrobe & slippers on loan

Bathrobes are available to borrow in your room free of charge. If you need bath slippers, these are also available free of charge at reception.

Check-In & Check Out

Your vacation day begins on the day of arrival from 3.00 pm. Should you arrive after 6.00 pm, please inform us in good time. Please vacate your room for cleaning by 10.30 a.m. on the day of departure so that we are able to allow the following guests to arrive on time. Your vacation day at the Badischer Hof - and thus all included services - ends after breakfast on the day of departure. If you would like to continue using our wellness area after 10.30 a.m., this is possible for a fee of € 20.00 per person. Late check-out until 4 p.m. on the day of departure is only possible on request and subject to availability. Here you can stay in your room until late afternoon and also use our wellness area. We charge a surcharge of € 30.00 per person for this. INFO: For guests staying 3 nights or more, use of the wellness area is included until 4.00 pm on the day of departure.

Payment of the room bill

You can pay your room bill in cash or by card. We only accept EC-Maestro, Visa or MasterCard. Reception is currently open daily from 09.00 - 18.00. If you wish to check out before 09.00 on the day of departure, please let us know. You are also welcome to settle your room bill the evening before until 6 pm.

Vouchers

If you have a voucher, please hand it in at reception on your arrival so that we can offset the amount immediately.

Our catering service:

All prices are per person and night including breakfast or half board. This includes the breakfast buffet and, in the case of half board, an evening menu with three to four main courses to choose from. Children up to the age of 3 are welcome to choose from the children's menu. Children between the ages of 4 and 11 can choose from the children's half-board menu in the evening. We are also happy to prepare lactose- and gluten-free dishes by prior arrangement. We can only offer vegan food to a limited extent. In any case, we ask you to book in advance. Drinks with dinner are not included.

If you cancel the dinner menu in advance for the entire duration of your stay, we will waive € 20.00 per person per night on the regular price.

Price differences

Price differences are only due to the size and location of the rooms. The all-inclusive prices are per person for the respective period of stay, plus visitor's tax. Over Easter, Whitsun and on all other public holidays or bridge days we require a minimum booking of 3-4 nights, over Christmas and New Year's Eve 4 - 5 nights each. Price inquiries for Christmas and New Year's Eve are possible from July. Please also note our special package deals.

Reservations cannot be made for a specific room, but only for the respective room type. However, we will gladly try to reserve your preferred room (if possible).

Bookings for less than two nights

Please understand that due to our very individual room types, we cannot promise a fixed room price or a specific room category for stays of less than 2 nights. We will be happy to make a note of your preferred category.

Tourist tax

The local visitor's tax is currently between € 1.30 and € 1.70 per person (aged 13 and over) per night, depending on the season. When you register at reception, you will receive your Konus guest card on request. With this spa card, you can use public transport throughout the Konus area free of charge.

Non-smoking rooms

All our rooms are non-smoking rooms. In the event of non-compliance, we reserve the right to charge a cleaning fee of € 150.00.

Tip

Are you satisfied with the service provided by our staff and would like to leave a tip? In this case, you are welcome to give this directly to the service employee or hotel staff in cash. In the restaurant, you are also welcome to note the desired amount on the restaurant receipt. We will then book the tip directly to your room.

Signing your restaurant receipt

If you do not wish to pay in cash in the evening but would like to book your food and drinks to your room, we ask you to countersign the restaurant receipts every evening to avoid any misunderstandings.

You can obtain the access data for the Internet at reception. WLAN is available free of charge in all rooms and conference rooms. The access data is also available at reception.

Activities

A table tennis table, a pit-pat facility and a playground are available free of charge for our younger guests. Parents are responsible for their children.

Touring bikes (free of charge), as well as e-mountain bikes and e-touring bikes (for a fee) are available in limited numbers and can be rented from March to October. Please ask us about this. Unfortunately, we cannot offer children's bikes.

Equipment for small children up to and including 3 years

Children up to the age of 3 are welcome to stay overnight and have breakfast with us. We are happy to provide cribs, diaper buckets and kettles free of charge. Please let us know when you make your reservation.

Dogs

You are also welcome to treat your pet to a vacation. What could be nicer for a dog owner to spend the best days of the year with his four-legged friend in a charming forest and mountain landscape. However, we ask you to register your dog before your arrival - with its own food and its own dog basket or dog blanket - as these rooms are only available to a limited extent for allergy sufferers. For this service we charge € 19.00 per four-legged friend per night. Please understand that we will have to charge for any damage to the furnishings caused by your dog. An amount of € 70.00 will also be charged for additional cleaning work if there is heavy soiling, as these rooms can no longer be rented to people with allergies for the time being.

General terms and conditions of cancellation:

Once the room reservation has been confirmed, we will hold a room in the desired category as agreed. Changes or cancellations will result in losses that we cannot bear alone. Cancellations of room reservations are only valid if we receive them in writing. Cancellation is free of charge up to four weeks before arrival. At Christmas and New Year this period is extended to 12 weeks before arrival. For bookings over Christmas and New Year's Eve, a deposit of 50% must also be paid. In the event of a later cancellation, we will charge 80% of the confirmed room or package price for the entire stay. These costs will be charged for the same booking within 365 days from the date of cancellation. In order to avoid incurring costs, we recommend that you take out travel cancellation insurance or make use of our cancellation service. This is a risk premium that will not be refunded under any circumstances. If you opt for this advantageous option, the cancellation service amount must be credited to our account at the same time as your booking, but at the latest by the end of the cancellation period.
